VOLUNTEER FOLLOW UP MEETING

Thank you to everyone who came to the open morning yesterday. The follow up meeting to complete DBS checks will take place on Friday 22nd September at the KS2 site. Please remember to start the process online yourself and bring the relevant documents to prove your identity as discussed at the meeting.

CUP CAKE WEEK

A variety of delicious cup cakes will be served as puddings next week.

Dear parents/ carers,

We have had a great week in school! Our new Reception children are becoming increasingly settled and have completed some wonderful work and the other children are working hard in their new classes with their new teachers. The children have been going to Forest School this week. Please ask your child about their enjoyable experiences.

This week we had an open morning for volunteers and it was a huge success. We had over 16 people come to this, offering to support the school. Any support is always appreciated and we thank our loyal volunteer group for their efforts. If you didn't make the first meeting and would like to help, please get in touch with the office. The follow up meeting to complete DBS checks will take place on Friday 22nd September at the KS2 site.

We received a very exciting delivery this week...the final copy of the 2017 Oliver production. We are hoping to get these burnt to DVD in the next week and they will be handed out to cast members from the show.

Our harvest festival is under two weeks away and preparations are well under way. You'll receive a letter outlining the arrangements for the day. This event, which is held at the Methodist church will not be able to go ahead if we do not have enough people supporting us in walking down. If you are able to assist walking the children down to the church, please let your child's class teacher know.

Have a lovely weekend,

Mr. Hadley and Mr. Hitchens
