Dear parents/carers,

It has been a really good first week back with lots happening. A group of children from years 3, 4, 5 & 6 represented the school at the local indoor athletics competition and did brilliantly. One child came back and shared. "It was great, we nearly won but came second. The best bit was being a part of a team."

We welcome Mrs. Sutton to our team who will be working as gate supervisor before and after school. It is such an important job as it ensures our children's safety. Please do co-operate and help her with this role. Mrs. Sutton will also be working as a lunchtime supervisor.

Tonight is our school disco, which is always popular. Please can we remind you to ensure that your child brings the permission slip with who is collecting them clearly stated.

We are working incredibly hard behind the scenes to get various grants to improve our swimming pool facilities. We have put a bid in with Sport England for a significant grant to build purpose built changing rooms. We have got through Stage 1 and move on to Stage 2. We will keep you posted on the developments with this.

We are moving to a paper-free school, particularly with messages and therefore, this will be our last paper newsletter. Please keep an eye on our social media streams, including website for information.

Best wishes,

Mr. Hadley and Mr. Hitchens

SPORTS UPDATE

Indoor athletics today signals a busy spell of sport at school. Tag rugby, swimming and gymnastics events to come this month! It's great to see so many different children representing our school so well.

Footballers are keen to play after waiting a week due to pitch work at the College. The netball A-team look forward to a double-header next Wednesday after a great performance against Constantine this week. Fantastic to see lots of children practising on Tuesdays at the clubs and improving their skills.

FOREST SCHOOL

Forest School sessions for class 1b will be held on a Wednesday morning, and for class 2b on a Friday afternoon, until the end of this term. Please make sure children bring wellies or old shoes in to school on the day.

MAKATON SIGN OF THE WEEK

"Being able to communicate is one of the most important skills we need in life. Almost everything we do involves communication; everyday tasks such as learning at school, asking for food and drink, sorting out problems, making friends and having fun. These all rely on our ability to communicate with each other. Makaton is a language programme using signs and symbols to help people to communicate. It is designed to support spoken language and the signs and symbols are used with speech, in spoken word order.-
