PENRYN NURSERY

Penryn Nursery spaces available . if your child is 3 before 30th March 2018 why not come and have a look at our nursery. You will be entitled to 15 hours FREE nursery education. Contact Jo on 01326 373290.

Dear Parents/Carers,

Another busy and successful week here at Penryn Primary. We have had lots of excellent sports achievements this week including the Years 3/4 basketball team, football teams and netball teams all performing brilliantly. Well done to all those who took part and represented our academy through good sportsmanship and effort.

Please look out for our news on social media as we will be using this format more and more in the future. You follow us on our facebook page and twitter accounts - details can be found on our webpage.

We are also keen to find out if you would prefer us to continue to send out a newsletter with the children, whether you access it online or prefer to use the social media communications links. Please think about which option is best for you as we will be gathering your views soon.

Dan Hadley and James Hitchens
Heads of School

CAKE BAKE –Wednesday 18th October

Friends are holding a Cake Bake next Wednesday 18th October at 3.00pm in the Infant hall. All donations of cakes would be appreciated. The ARB children will be helping on the stall in return for a donation towards circus skills for the class.

PLAYZONE

If you are sending your child to Playzone, please remember to inform the school as well as your child, to ensure that we always have the correct ratio of adults to children. Thank you.

GUINEA PIGS—HALF TERM

If you would like to have the guinea pigs (KS1 and KS2) during half term, please let the school office know.

NEW MENU

The new menu, which will be available after half term, can be viewed on the school web site.

PARKING

When parking in the roads around the school please ensure that there is room for emergency vehicles to pass.

Many thanks,

Mr Head and Mr Taylor

MAKATON SIGN OF THE WEEK

"Being able to communicate is one of the most important skills we need in life. Almost everything we do involves communication; everyday tasks such as learning at school, asking for food and drink, sorting out problems, making friends and having fun. These all rely on our ability to communicate with each other.

Makaton is a language programme using signs and symbols to help people to communicate. It is designed to support spoken language and the signs and symbols are used with speech, in spoken word order.-
