17th - 21st February - Half Term

5th March - World Book Day

Year 6 First Aid Course

Miss Brittain will be running a First Aid course on a Wednesday after school. There are 6 spaces still available and this course is open to **Year 6 children only**. This will run from Wednesday 22nd January until Wednesday 4th March (excluding half term) from 3.15 - 4.15. If your child is interested in taking part, please sign up via the Arbor App or call the school on 01326 373290.

Maths Mastery Sessions

Some of our Year 6 children took part in Maths Mastery Sessions at Mawnan Smith School this week, being taught by a mastery specialist they extended and deepened their mathematical learning. The children represented Penryn Primary Academy superbly with their polite manners and eager minds. They look forward to their next session!

Assembly Time

We have welcomed a range of visitors this week to support our assembly time and learning. We started on Monday with our 'Primary Futures Assembly' where we welcomed visitors to talk to us about different career paths in life and the fun and exciting challenges they face. The children had to ask yes or no questions to try and work out their job roles, the visitors came back to the hall dressed in their work wear to reveal their profession! We had a youtuber, a nurse and a children's home worker to name a few. We look forward to welcoming more professionals to school and discussing career prospects with our children as they get excited about the possibilities that the future holds!

On Wednesday we welcomed Mr Teare, from the Air Ambulance, to our KS2 assembly to talk about the role of this emergency service, they also talked about the new helicopter appeal and much more. The school council will be running a fundraising project for the Cornwall Air Ambulance in the next few months - keep an eye out for more information.

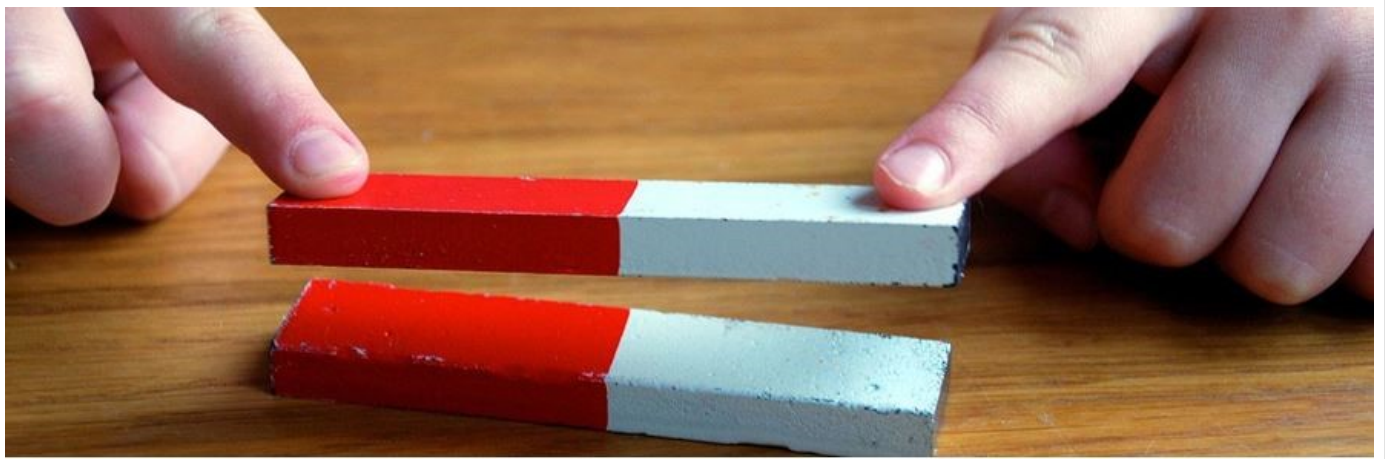

Many thanks to all the visitors for giving up their time to talk with our children.

PE Sessions

Our KS1 children are loving our 'Born to Move' dancing sessions in PE! Great moves and great co-ordination skills on show... well done KS1!

There is a great buzz around the school when we take part and talk about the fun and exciting sporting opportunities offered to our children. All underpinning our 'Healthy School' ethos! There are still a few places left on our afterschool sporting clubs : KS2 Yoga, KS1 & KS2 Hockey, KS2 Golf, KS1 Tag Rugby and KS2 Running club – Sign up on the Arbor App or through the KS1 Office.

Family
Workshop :
Science Fun!

**Wednesday 22nd January
3.00pm - 4.00pm in the KS2 hall.**

Come and join us for some fun
activities related to this term's
science topics!

Forest School Challenges

We are very excited to
introduce our Forest School
challenge badges for KS2
children.

There are five different topics
containing several tasks for
the children to complete
during their Forest School
Sessions! All KS2 children are
given the opportunity to take
part in these challenges if
they wish to do so.

Keep an eye out for the great
awards being completed and
celebrated.

Bag2School

Thank you for supporting the Friends first fundraising
event : Bag2School!

We raised £120, a great start to fundraising for 2020!

Internet Safety

Tik-Tok seems to be everywhere at the moment! Formerly called Musical.ly, it is a social media platform (Age rated 13+) that lets you create, share and discover 15 second videos. The NSPCC have produced this comprehensive guide for parents to help you keep your children safe and happy:

<https://www.net-aware.org.uk/networks/tiktok/>

Our Aspire 'Internet Safety' page is updated regularly - please take your time to familiarise yourself with this useful guidance to help keep your children safe online:

<http://www.aspireacademytrust.org/1094/internet-safety>

Topic Grid Homework

We have had some great topic grid homework sent in already, amazing work - well done! We hope you are enjoying these fun activities with your children, whilst getting an insight into their current topics! It's so great to hear the children talking about what they have done. Keep up the great work!

Playzone Bookings

When booking your child a space in Playzone, please make the payment on ParentPay prior to contacting the school to book, your booking will not be confirmed until the payment has been made - thank you for your support with this.

Bookings cancelled after 10am on the day will still incur a charge as staffing levels have been adjusted by this time. If your child is on the regular list this runs for the whole school year, please ensure you inform us if you no longer require the space.
