

# Year 6

## Spring 2

### *James Bond*

#### Please remember:

- ⇒ Children must read a minimum of **five times** a week and their reading books / reading records brought into school every day.
- ⇒ **Fully named** PE kits should be kept in school and include a house colour t-shirt, black shorts and black plimsolls/ trainers. You may wish to include a pair of jogging bottoms for colder days.

To support us in instilling a sense of pride in our school, please ensure your child/ children attend every day wearing the correct uniform.

**Thank you for your ongoing support, it really makes a huge difference!**

Please follow us...

Telephone: 01326 373290

Email: [secretary@penrynprimary.org](mailto:secretary@penrynprimary.org)

## Topic coverage (this may change during the term)

### English

- We will be writing:
- a Story (Pigeon Impossible)
- Persuasive letter (Day the crayons quit)
- Descriptive writing (poetry/character description)

### Art and Design and Science

- Creating a scientific poster about space travel

### Topic (Missions)

Each week, Year 6 will be set top secret missions, which they will need to complete! They will need to use resources, team work and have their wits about them!

- Naming and locating countries
- Human and physical features
- Creating spy drills

### Physical Education (EVERY WEDNESDAY)

- Penryn College REAL PE programme
- Tennis (EVERY OTHER THURSDAY)

### Home-learning

In Year 6 we ask pupils to read every night. Please record this in their reading records so children can work towards their reading karate.

MyMaths homework will be set each week on a Friday, to be completed by the following Friday. There will be a homework club to support any problems with this.

Half termly topic-grid. Please refer to topic sheet

As we are approaching SATs, we will be handing out specific revision packs which will include CGP guides.

These will be signed out and back in after SATs.

Please do not write on the guides, but do as many with your child as possible.

Thank you for your support with this support.

### Mathematics:

All four operations with decimals, fractions and whole numbers

Area and perimeter of triangles, regular and irregular shapes

Converting between different measurements

Finding missing angles in triangles, along a straight line and around a point.

Drawing and measuring angles

Fractions of an amount and finding percentages

Ordering and comparing fractions

Converting between measurements
