Tuesday 11th September

Dear Parents/Carers,

At Penryn Primary we love to celebrate our pupil's achievements alongside their nearest and dearest. Today, your child has bought home with them an activity grid. This grid contains lots of different activities for your child to complete at home alongside friends and family. All the activities are non-compulsory but offer a great way to get creative while building on the work we are focusing on in class. We have ensured that two of the activities are the same across the school, allowing siblings to complete activities jointly if they wish. There is no set format, so whether your child completes one, three or all eight activities they can display them in any way they like e.g. photos, drawings, a piece of writing, a leaflet, video or they can just come in and tell us what they've been up to. Your child can bring in their creations at any point during the half term to share with their class, and on Thursday 18th October at 9am we will be holding a celebration assembly where we would love for you to celebrate your child's achievements with us.

Let's get creative together! Go crazy with the paint, grab the cameras, jump into your child's imagination and go an adventure!

Regards,

Year 4 Team

Create a fantasy themed shadow puppet.	What is your favourite fantasy themed story? Draw it, write about it, create a model, show us any way you like.	Design a sweet for Willy Wonka's Chocolate Factory.	Create a new theme song for the Oompa Loompas.
Write an acrostic poem for the word, CHOCOLATE.	Choose a simple sweet recipe to make at home (e.g. rice krispies treats).	Research family and friend's favourite sweet treat and record in a tally chart, straight chart or bar graph.	Make a collage out of food wrappers.
