Tuesday 11<sup>th</sup> September

Dear Parents/Carers,

At Penryn Primary we love to celebrate our pupil's achievements alongside their nearest and dearest. Today, your child has brought home with them an activity grid. This grid contains lots of different activities for your child to complete at home alongside friends and family. All the activities are non-compulsory but offer a great way to get creative while building on the learning we are focusing on in class. We have ensured that two of the activities are the same across the school, allowing siblings to complete activities jointly if they wish. There is no set format, so whether your child completes one, three or all eight activities they can display them in any way they like e.g. photos, drawings, a piece of writing, a leaflet, video or they can just come in and tell us what they've been up to. Your child can bring in their creations at any point during the half term to share with their class, and on Thursday 18<sup>th</sup> October at 9am we will be holding a celebration assembly where we would love for you to celebrate your child's achievements with us.

Let's get creative together! Go crazy with the paint, grab the cameras, jump into your child's imagination and go on an adventure!

Regards,

Year 5 Team

Create a fantasy themed shadow puppet.	What is your favourite fantasy themed story? Draw it, write about it, create a model, show us any way you like.	Create your own fantasy story character any way you like.	Create a leaf print picture of a landscape.
Make a useful robot or invention.	Take maths outside, what did you do?	Design your own PE game – can it be used in class?	Create your own paper mache or balloon planet. What can you tell us about your planet?
