Internet safety

Spooky season is upon us and can be great fun for some, however, it can be a really scary time. Please ensure that the content your children are accessing online is safe and appropriate for them. The NSPCC has some useful guidance to help you manage parental settings to keep everyone safe and happy online!

Please also take the time to view the Aspire website for support in setting up restrictions and how to support safe and effective online use <https://www.aspireacademytrust.org/1094/internet-safety>

Celebrating Learning

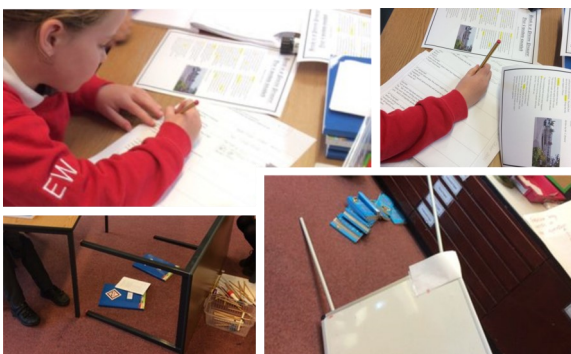

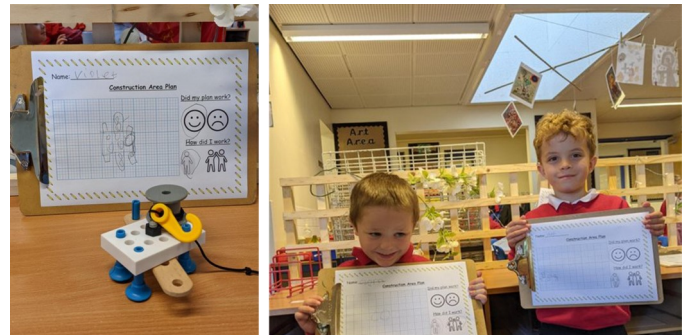

Take a look at some of the wonderful learning taking place in school this week....

Forest school have been investigating different seeds that Autumn brings, including pumpkin seeds...

Reception class have enjoyed retelling their story - Goldilocks!

A new addition to the construction area in year 1! They are now planning their amazing creations before building them. When they have finished building, they evaluate them and think about how they can make improvements. Impressive work year 1!

What has happened in year 4?! After investigating the scene, year 4 certainly had a lot to write about in their newspaper reports!

Gweek class have started their new topic all about the outdoors. From rainbow painting to colour matching and so much more, Gweek class have had a fantastic week!
