## Welcome back!

The first week of the Autumn term is complete and the children seem very settled in their new classes. A very warm welcome to all of our new children throughout the school and in our reception classes. Learning is in full swing with exciting topic work taking place, don't forget to follow our social media platforms to see what your children have been up to.

Club spaces have now been allocated, please check your emails to find out if your child got a space on their chosen club.

On Wednesday 18th September we will be holding an AR drop in session for parents from 3.30 in KS2 Hall. This is an opportunity for parents to find out what AR is, what a quiz looks like and what a child's ZPD level means. We look forward to welcoming you on Wednesday.
