Penryn College Walkthrough

We are very fortunate to be able to walk through the Penryn College site to access our school during drop off and collection times. Please can we remind you that there is no parking on the Penryn College site, this is to keep all children within the community safe.

Please be respectful of other users and if you are driving near this area, please be mindful of pedestrians. Thank you for your continued support with this.

Year 4 - Eden Trip

Year 4 enjoyed a trip to the Eden Project on Friday, they had the opportunity to become Rainforest Rangers for the day learning about rainforest conservation, what it takes to survive in a rainforest and going through the biomes, investigating what plants can be food, drink or shelter.

The children were all amazing asking questions and really paying attention to our group leader. The children represented Penryn Primary Academy superbly! A super day out to support their topic of the Amazon Rain Forest.

Nursery have been learning about Goldilocks and the 3 Bears... this week they enjoyed some delicious porridge with fruit - we've been told it was 'just right'!

They have also enjoyed listening to the story and painting bear pictures. Lots more fun planned for next week - we can't wait!

Celebrating Learning

Take a look at some of the wonderful learning taking place in school this week....

Reception class are very happy to be back in school! Lots of smiling faces whilst they enjoy their learning.

Year 2 have built some houses to test which materials would be the most suitable, based on their properties. Thank you to Cornish Concrete for providing them with some materials!

All linking in with their science learning about everyday materials.

Year 6 have been using their scanning attack skills to (cooperatively) find words with all letters of the alphabet in their class story 'Holes'.

Let's get spelling!

Gweek class had a spelling bee with a difference...

You can use lots of resources to practice your spellings. Gweek class enjoyed rotating around these resources to practice theirs.
