Dear Parents/Carers,

Thank you for all of your positive feedback and comments, either by email, or at the school gate in the morning. We have all adapted so well to the different situations that we have found ourselves in. September will bring a different start to the school year, but as ever, we will adapt and overcome the challenges that arise! We are hoping to be able to share September plans on Monday, where we will send a letter out followed up by various videos which outline our plans.

You will receive an email today with a link to your child's class pages for September 2020. Our teachers have recorded 'all about me' videos, which you will find on their pages. Please familiarise yourself with your child's class page as it will keep you up to date with the exciting learning that takes place in school.

Who is excited for our 'Virtual Sports Day'? Don't forget to take part in as many activities/events as you wish over this weekend and send your scores in to [sport@penrynprimary.org](mailto:sport@penrynprimary.org) by Wednesday 15th July for us to add them together with the rest of your team. Which team will be crowned the winner of 'Sports Day 2020'..?

A reminder for children who are currently attending school, we will be finishing between 12.45 and 13.30 on Wednesday 22nd July. You can collect your child at any time during the pick up slot.

Week 15 of home learning has now been sent to you. This will be the final home learning pack sent to you in this format. Tasks for the final week of the summer term are all included in this pack. If you are still looking for activity ideas, why not scroll through our Facebook feed and take part in some of the past activity suggestions!

Best wishes

Mr Hitchens

### Free School Meals

**Year 2 parents :** Your child will have been receiving Universal Infant Free School Meals which will end when they move up to KS2 in September. If you think you may be eligible for Free School Meals you will need to apply through Cornwall County Council. More information on eligibility and the application form can be found by clicking the link below.

**All parents :** If your circumstances have changed or you are unsure if you may be eligible for Free School Meals, please apply using the link below. If you are eligible at present you will receive a voucher via EdenRed that can be used at your local supermarket.

### Virtue of the week

Our virtue of the week is **Cleanliness** which ties in perfectly with the times we find ourselves in.

As restrictions are gradually being lifted, now more than ever we need to ensure we are washing our hands and ensuring we are adhering to the 'Catch it, Kill it, Bin it' advice from the NHS.

Cleanliness is also keeping our surrounding area clean and tidy, waste should be put in the bin immediately, and we should wash our hand after touching waste.

I am sure over these past months, our children have all become experts at handwashing! Please click the following link to access the NHS handwashing advice :

<https://www.nhs.uk/live-well/healthy-body/best-way-to-wash-your-hands/>

## CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

## BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

## KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.

## Easy art!

It's junk modelling day!!

Hopefully this task has come before your recycling has been collected! Your challenge this week is to create anything with your home recycling... use your imagination and see what you can create.... Yogurt pots, cardboard boxes, plastic milk bottles... the possibilities are endless!

## Reading & Writing

Are you enjoying the Summer Reading Challenge? If you haven't signed up yet, it's not too late! Please click the following link to access the library sign up page :

<https://summerreadingchallenge.org.uk/>

This week your challenge is...

Writing challenge - can you write an acrostic poem for Summer?

We can't wait to hear them...  
send your poems in to  
[hello@penrynprimary.org](mailto:hello@penrynprimary.org)

This is a game for two players.

- Each draw 10 circles. Write a different two-digit number in each circle– but not a 'tens' number (10, 20, 30, 40...)
- In turn, choose one of the other player's numbers.
- The other player must then say what to add to that number to make 100, e.g. choose 64, add 36.
- If the other player is right, she/he crosses out the chosen number.
- The first to cross out 6 numbers win.
