Dear Parent/Carers,

As you will be aware, we were joined by Ofsted Inspectors this week. Our children were amazing and were a real credit to our school community! All children were extremely welcoming and took part in many activities throughout the two days, such as reading to visitors, sharing their learning and talking about how great our school is.

I would like to thank our parents for their feedback and support during the inspection, particularly those who completed the Parent View Survey for Ofsted. Your views are a key part of the inspection and as always, we welcome all kinds of feedback to ensure we are working together to provide the best opportunities for our children.

Our staff here at Penryn Primary always go above and beyond to provide wonderful learning opportunities and experiences for our children. I am incredibly proud of every one of our team!

Ofsted will share a report summarising their visit within the next three weeks. Once this is available we will share this with you all. Have a lovely weekend.

Best wishes

James Hitchens
Head of School

Sporting News

The netball team were ready for their first match in their smart new uniform purchased by the school. The girls played really well this week using the skills that they have gained from their training sessions with Mrs Carnon who is doing a brilliant job, unfortunately we lost to Mawnan 7-2 but the girls are excited and ready for their upcoming matches, we are all very proud of them!

Take a look at some of the wonderful learning taking place in school this week....

Reception class have a new little teacher working together to learn sounds - amazing!

Year 1 loving number work using numberblocks!

Year 2 have been making penguin collages inspired by the story they have been learning this term 'Lost and Found'
