## Forest School Volunteer Needed!

*We are currently looking for a Forest School Volunteer to support Mrs Malham every Wednesday morning, with a possibility to extend this!*

Forest School is a practice that gives young people the opportunity to develop self-learning through natural play and positive outdoor experiences.

Forest School helps young people to understand the importance of nature and the environment. The ethos of Forest School allows learners the time and space to develop skills, interests and understanding through practical, hands-on experiences.

Our children love the experiences they have during their Forest School sessions, from campfires to den building, planting and teamwork with their peers, Forest School is such an asset to our school and your children's learning journey. If you would like to support Mrs Malham with these Forest School sessions, please contact us by email:

[hello@penrynprimary.org](mailto:hello@penrynprimary.org)

### Oral Health Talks

We welcomed Joanne from Brighter Smiles to school this week to talk with our Reception and Year 1 classes about dental hygiene and oral health.

The children enjoyed meeting Dylan the Dragon and learned about how to take care of their teeth. They also explored which foods & drinks were better for keeping teeth cavity free.

## COVID-19

If you need to report a positive COVID-19 test (**out of school hours**) please do so by clicking the following link <http://www.aspireacademytrust.org/coronavirus>

### After School Sport Clubs

Our afterschool clubs are being thoroughly enjoyed by all involved! The children have had the opportunity to participate in a range of sports including: badminton, tennis, football, dodgeball, hockey and Born To Move. The children have shown great skills, team work and determination! Loving the energy everyone... keep it up!

These clubs will run until half term, after this, the clubs will re-open to bookings. More information will follow in due course.

### Swimming

Enthusiasm and fun is abundant with every year group this week. It's so lovely to see stamina and confidence developing with every year group on a weekly basis.

Year 5 and 6 are starting to swim 25 metres without stopping with gusto and years 3 and 4 are developing 15 metres without stopping.

KS1 children are showing amazing resilience with water safety and confidence.

Well done everybody and happy swimming! Mrs Green

### Swimmers of the week

**KS1 - Sophia KS2 - Megan ARB - Bailey**

## Celebrating Learning

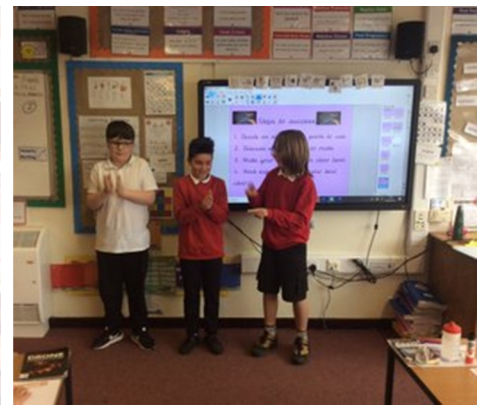

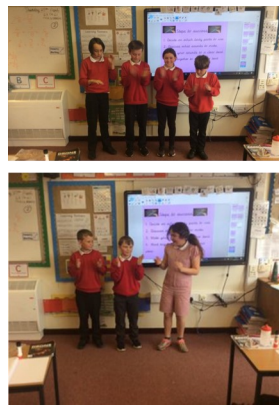

Take a look at some of the wonderful learning taking place in school this week....

Reception class have been preparing (and eating) a delicious fresh fruit salad... Yummy!

Year 4 have created their very own Forest School base and an Eco chair that collects rain water. How amazing are they?

Year 5 enjoyed creating rhythmic patterns using their bodies!

Year 6 had a brilliant time at the College playing kwik cricket!
