## Celebrating Learning

Reception class had great fun learning about friction, managing risk and resilience - and got very muddy in doing so... [Click Here](#) to view their Twitter video!

They have also really enjoyed using their Autumn materials in class :

Year 1 have been measuring, cutting, and curling ribbon to add flames to their rockets. They have also had great fun practicing different shapes and rolls in gymnastics!

Year 6 have loved learning about The Battle of Britain and why it was a significant event during WW2. They made Spitfire models and recreated the battle!

Great effort from Molly completing some great research at home!

## Friends of Penryn Primary Academy

We would like to say a massive thank you to both them and our wonderful families and the community who support these events.
