Harvest Festival

Despite the rain, the children still enjoyed celebrating our Harvest Festival on Thursday in the warmth of our KS2 hall! We welcomed Rev Andrew Mumford to join us in our celebrations. The songs, words and generous donations from our families were gratefully received.

All of the donations will be given to the local food bank at the Highway Community Centre.

Brighter Smiles

The Nursery enjoyed a visit from Jo and special guest Dylan the Dragon from 'Brighter Smiles' this week. They sat beautifully and listened very carefully to why we need to brush our teeth and what foods and drinks are the best for a healthy mouth. All of the children then had an opportunity to brush Dylan's teeth. Many thanks to Jo for her visit, a great opportunity for our children to learn the importance of brushing our teeth twice a day!

Sporting News

Our sporting teams at Penryn Primary Academy are doing great! Our Netball team are improving week on week, giving their all in every match. Well done team!

Our footballers are also 'kicking it out of the park' and showing off their fantastic skills in their matches winning an impressive 5 -0 to Mabe school this week - Go Penryn Primary!

We are very excited to be working with Penryn Rugby Club after half term. Another fantastic sporting opportunity for our children.

The cake sale that kept on giving... we had so many generous donations we held 2 cake sales this week! A whopping £255 raised - amazing! Well done to Josh, Emily, Ruth and Madeline for winning the best child's cake competition and Hannah, Bernadette and Megan for the best adult cake. All of the cakes looked delicious! Well done for everyone's efforts.

Bags2School

Magical Maths at Penryn Primary

KS2 children enjoyed a visit from a Maths Magician this week! He used mathematical concepts to teach the children exciting magic tricks. We had an assembly to start the day, then he went to all the KS2 classes and delivered a workshop. The children loved it - Year 4 said 'I can't wait to wow my family with my maths magic tricks! I have learnt a lot!' and year 3 said "It was AMAZING seeing how maths and magic are like the same! Maths is magical!"

A great learning experience for all.
