Our Next Virtue is : Diversity

Each week we focus on a different virtue, our next virtue is **Diversity**. Please support us by discussing this with your child at home.

Diversity encompasses all those differences that make us unique. We are all wonderful in our own way. Lets talk about what makes us different and celebrate our world together.

Trauma and Mental Health-Informed Schools (TMHIS)

After a comprehensive submission & assessment by a Trauma & Mental Health-Informed Schools (TMHIS) assessor, **Penryn Primary Academy is the 1st primary school in England to be awarded the prestigious TMHIS Award!**

The award recognises the high standard of inclusion practice demonstrated by Penryn staff, in supporting adults and children with trauma and mental health difficulties. The aim is for all 28 Aspire academies to achieve this recognised status by 2022.

Susan Costello, Director of Inclusion for the Trust, comments, "We are delighted for the entire Penryn community and sincerely thank all staff at the academy as well as Julie Harmieson, TMHIS leader for the Aspire Lead Inclusion Team, for their dedication and hard work in achieving this award.

"The vital work ongoing across all 27 Cornish academies demonstrates the Trust's clear and unwavering commitment to its vulnerable children, ensuring that, in the words of TiS UK, 'we catch them as they are falling not after they have fallen'."

Trauma-Informed Schools UK is an organisation committed to improving the health and wellbeing and ability to learn of the most vulnerable schoolchildren in the UK, namely those who have suffered trauma, abuse, neglect and/or have mental health problems or attachment issues. Its aim is to provide appropriate training for schools, communities, and organisations so that they become trauma-informed and mentally healthy places for all.

Aspire Academy Trust News

As you know, our school is a member of the Aspire Academy Trust and at the end of this summer term, the CEO of the Trust, Mr Andrew Fielder, is retiring. Current Deputy CEO Mrs Vanessa Bragg will become interim CEO and Mrs Rachel Warwick, who is currently an Aspire Director, will step up into Vanessa's shoes. Mr Fielder has been in education for many years and has headed up the Trust from its inception. Mrs Bragg said "It's a privilege to be appointed interim CEO, leading a truly inspirational and aspirational educational trust of 28 primary academies, full of hugely talented staff and children. I'd like to extend my gratitude to Mr Fielder for his outstanding leadership and we wish him all the best in his retirement.
